PROGRAM CONDITIONS

- Crop replant assistance is offered to aid farmers when products fail due to natural causes including flooding, frost, soil crusting, and bird or animal feeding.
- Corn, Soybeans, Cotton, Sorghum, and Spring Canola: Final claims submission is July 31, 2018.
- Winter Canola: Final claims submission is January 16, 2019.
- Fall-planted alfalfa claims must be submitted by May 15, 2018. Spring-planted alfalfa claims must be submitted by July 31, 2018 deadline.
- Claims will only be valid within 60 days of planting, or by May 15, 2018 for fall-seeded stands.
- A grower must lose a crop & replant a crop to qualify for this program; Both the lost crop and replant crop must be a DEKALB, Asgrow, or Deltapine brand seed.
- Replant units are not eligible for other program payments.
- Replant units must be planted in the same crop year as the lost crop and in place of the lost crop on the farm for which the replant refund is claimed.
- Replant unit must be to a DEKALB, Asgrow or Deltapine brand seed.
- Replant payment is contingent upon approved claims and corresponding sales reported for the farm.
- Replant units will not qualify for base Apex® program compensation.
- DEKALB, Asgrow or Deltapine brand seed must be purchased from a Monsanto authorized dealer.
- Monsanto reserves the right to audit dealer sales and replant claims at any time.
- Upstream treated seed: Acceleron® Seed Applied Solutions offerings. Products are provided at the same reimbursement rate as the seed to customer on replant if original purchase was treated with Acceleron® Seed Applied Solutions offerings. Must be equal treatment product. Includes Poncho®/VOTIVO®.
- Downstream treated seed: Refer to the 2018 Acceleron® Seed Applied Solutions pricing and programs for downstream treatment replant reimbursement.
- A Monsanto authorized representative, authorized retailer or seed supplier where purchase originated or approved designee must inspect and verify grower's seed loss, replant. A claim report must be filed for each claim.
- For Monsanto BioAg products contact your Seed Applied Solutions DSM.

PROCESS FOR CROP REPLANT CLAIMS

- Dealer contacts the local Monsanto sales representative for complete details on replant procedures and dealer authorization limits.
- Dealer or Monsanto sales representative investigates and verifies the farmer's crop replant claim.
- Dealer to supply replant information to Monsanto.
- Replant settlement for DEKALB, Asgrow and Deltapine Brands seed will be issued to the dealer's account upon submission of a completed Monsanto Replant claim
