Interest Rate – 0% Grower Due Date – November 25, 2019*

PROGRAM HIGHLIGHTS

Interest Rate

This year the interest rate for growers using the Seed 0% program is 0% through the due date, if you sign up (application received) by March 31, 2019.

Early Cash Discount and Financing Options

Grower can participate in Early Cash Discount and one financing option for seed purchases but not on the same dollar amount or the same unit of seed. All herbicide financing must go through the John Deere Financial offer. Please see your authorized dealer about herbicide financing.

Grower Due Date

All purchases made under the Seed 0% Interest Financing Program are due on or before **November 25, 2019***. If the account is not paid in full by the due date, finance charges will be assessed on the account beginning November 26, 2019. Finance charges will be assessed equal to the lesser of **18%** annual percentage rate (**1.5% per month**), or the maximum allowable by law on the account balance remaining at the end of each month.

Please Note: Cash discounts and John Deere Financial are not eligible to be used for payment of Seed 0% Interest Financing Program.

*Grower Payment Due Date within eligible areas of West Texas, Oklahoma, New Mexico and Kansas is February 15, 2020, for Deltapine® Brand Cotton Seed. Acceleron®, Asgrow and the A Design®, DEKALB and Design® and FarmFlex® are registered trademarks of Monsanto Technology LLC. Deltapine® is a registered trademark of Monsanto Company. Email: farmflex.credit@monsanto.com

Approval Process

A credit specialist will review your financing application and make a determination of the approved credit line within 30 days of receipt of complete information on your financing application. The average turnaround time on financing applications is 10 business days, if the application is filled out completely and correctly. If additional information is required, the credit specialist will contact the grower directly. Once a decision has been made, the grower will be notified in writing of the credit decision and the applicable assigned credit line.

Increasing Credit Lines

To increase your credit line after the initial application, please contact your Dealer, sales representative or the Grower Financing team. The increased credit line must be approved **prior** to delivery of product in order to be eligible for the program.

Statements

Once the account has activity, you will receive a statement showing the amount due and the due date. Monthly statements will be mailed until the account has been settled in full.

Payments

Seed 0% accounts are due in full by **November 25, 2019***. The check should clearly identify the account name, account number and Seed 0% payment. Payments should be sent directly to:

The undersigned authorizes Monsanto Company to give or obtain credit information and Grower releases and holds harmless Monsanto and any lender or grantor of credit information from any and all claims or causes of action that may arise relating to the use or transfer of this credit information. The undersigned declares that all information is correct to the best of their knowledge.

USA PATRIOT ACT — Customer Identification Program — Enacted to help the government fight the funding of terrorism and money laundering activities. Federal law requires all financial institutions to obtain, verify and record information that identifies each person who applies for a loan. When you apply for a loan, we ask you for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

The person signing below ("Grower") agrees to pay Monsanto Company ("Monsanto") for the Monsanto seed products that Grower has purchased from Monsanto and seed treatment products that the grower has purchased from the Dealer and the Dealer has assigned to Monsanto pursuant to the terms of the current Seed Interest Financing Program. The Grower agrees to finance a minimum \$2,500 under the Seed 0% Interest Financing Program. The amount of Grower's purchases under the Seed 0% Interest Financing Program from Monsanto is limited to the Grower's credit limit approved. Monsanto may change or withdraw that credit limit at anytime, except to the extent seed that has already been delivered to Grower within the Grower's former credit limit. Should Monsanto change or withdraw the credit limit, Grower is still responsible for any amount financed prior to the change or withdrawal. Grower will provide to Monsanto financial information whenever Monsanto requests it. If Monsanto sends the grower a notice that it has denied credit the grower may be required to pay for the order in cash prior to delivery. Monsanto may, without notice to Grower, set off any payments Grower has made to Monsanto or its subsidiaries or any money Monsanto or its subsidiaries may owe Grower against any of Grower's accounts with Monsanto or any of its subsidiaries.

Grower agrees to pay Monsanto according to the terms of the Seed 0% Interest Financing Program for the applicable year. Grower acknowledges that an active Monsanto Technology/Stewardship Agreement (MTSA) must be obtained in order to participate in the Seed 0% Interest Financing Program. If Grower has not received a copy of the current year's Seed 0% Interest Financing Program or needs an additional copy, Grower may obtain a copy of the current year terms from the www.aganytime.com, Dealer, or by calling the Credit department at 1-800-335-2676.

AMOUNT DUE: Grower will pay the "Total Due" on the Delivery Receipt, Statement or on the Invoice the Dealer provides to the grower in full by November 25, 2019. If payment is made after that date it will include interest to the date of payment in full. Cash discounts and John Deere Financial are not eligible to be used for payment of Seed 0% Interest Financing Program.

2019 SEED 0% INTEREST FINANCING APPLICATION FOR CREDIT LINES UNDER \$100,000

APPLICABLE TO DEALER BUSINESS MODEL ONLY (EXCLUDES SEEDSMAN): As part of this financing program, Monsanto credits the Dealer the amount the Grower owes the Dealer, and then the Grower pays Monsanto that amount by November 25, 2019. Grower agrees to pay Monsanto for the eligible products purchased directly from the Dealer on the due dates provided in the Program and/or Agreement.

However, if Monsanto delivers a notice to Grower that it has denied a request for Financing, Grower shall pay Dealer directly instead of paying Monsanto. Pursuant to the Program, upon receipt of Monsanto's approval of a Grower Financing request, Dealer shall promptly credit Grower's account with Dealer for the amount financed, and Dealer shall not collect or attempt to collect from Grower any invoice that has been paid by Monsanto pursuant to a Grower Financing. Grower agrees that any failure of Dealer to perform its obligations under the Program, including without limitation, Dealer's failure to properly credit Grower's account with Dealer, shall not relieve Grower of its obligation to repay the financed amount as required by this Agreement. Grower further agrees that Monsanto shall have no liability to Grower arising from any acts or omissions of Dealer in connection with the Program.

Dealer and Grower agree that only those Eligible Products that Grower has purchased directly from Dealer will qualify for financing under the Program. No other products or services offered by Dealer to Grower shall be eligible for financing under the Program.

ASSIGNMENT AND GOVERNING LAW: By signing below, Grower consents to assignments of Grower's account with the dealer (seed treatment) and agrees to send payment directly to the address specified by Monsanto. This Agreement shall be governed by the laws of the State of Missouri. Venue shall be laid in the Circuit Court of St. Louis County, Missouri.

DEFAULT: If Grower fails to pay for an order in full on or before the Scheduled Due Date, Grower shall pay Monsanto (i) the "Total Due" shown on the Delivery Receipt or Invoice, (ii) a default charge starting the day after Scheduled Due Date at the rate published in the Seed 0% Interest Financing Program on that "Total Due" plus accrued interest, and (iii) reasonable attorneys' fees, collection agency fees and court costs incurred by Monsanto if it is necessary to obtain assistance in collecting.

By signing an application and an agreement for one of Monsanto's Seed 0% Interest Financing Programs (HarvestPlan, FarmerSelect or FarmFlex) you are automatically enrolled in the other programs and covered under the other agreements if you decide to purchase under those programs. The approved credit limit applies to combined purchase amounts for all Seed 0% Interest Financing Programs.
